

**Emanuel Church Cemetery**  
**"High Church"**  
**Chippewa Township, Wayne County, Ohio**

Located at the intersection of Medina Line Road and Eastern Road, the cemetery's oldest stone appears to be 1818. Information was compiled by Cal and Kay Tritt of Norton, Ohio in June 1998 from previous cemetery records, church records, burial permits, and grave stones. "Unknown" as a surname means that a person is buried there but no records or gravemarker were found as of 1938. "No stone" means that there was none on site December 1990 and an "Illegible stone" could not be read in December 1990. No information for a gravesite indicates an available grave. "Row 0, grave 0" indicates that the exact location of the grave site is unknown. Typed by Elissa Scalise Powell of Wexford, Pennsylvania. Formatted by Reed B. Powell.
